TEST APPLICATION PROCEDURES

NOTICE

**Test applications MUST be MAILED to the Executive Test Chair at the address listed.
Applications may not be left in the club boxes at the various facilities.**

Applications must be postmarked twenty-one (21) days from the requested test date. Applications will be accepted on a first come, first served basis. If your application is postmarked after the closing date deadline, or if the test session is full, your application will be returned for re-submission for the next desired test session.

In the event a test session is not full and a member wants to test, the member must pay 1-1/2 times the fee for that test. For example, the Novice Free Skate test fee is \$45.00. The late fee would be \$22.50 + \$45.00 (test fee) for a total of \$67.50.

Test applications will be available at each facility and online at www.atlantafsc.org. If you have questions, please contact Judy Williams, the Executive Test Chair.

Gold test applications and fees must be received 30 days before the test session. No refund or credit will be given if the skater cancels a test session less than 14 days before the test session. No refunds or credit will be issued for Gold test skaters if the skater cancels the test less than 30 days before the test session.

FULL PAYMENT MUST ACCOMPANY ALL TEST APPLICATIONS. In the event an error is made in the payment, and, in any event, full payment must be made before the skater will be allowed to test.

ATTENTION: Individual Members and Skaters from Other Clubs

The Atlanta Figure Skating Club enjoys a reciprocal testing agreement with the Georgia Figure Skating Club, the FSC of Augusta, and the Greenville Figure Skating Club. Members of these clubs pay the testing fees of the club hosting the session. Skaters from other clubs are required to pay 1-1/2 times the listed fee. Individual Members (Im) of U.S. Figure Skating are required to pay three times the listed fee. If an IM fails a test, s(he) may retake the test at 1-1/2 times the listed fee at the next session only.

Prospective test candidates must be members in good standing with their respective clubs to be eligible to test. A letter of permission to test must be attached to this form for skaters who are not members of the above referenced clubs.
