## **PHOTO/VIDEOGRAPHY/SAFETY POLICY**

For the safety and welfare of the skaters, flash photography will **NOT** be permitted. There will be designated areas for parents who wish to video record their child's performance. Please do not obstruct the view of other seated spectators by standing in front of or hanging over the plexiglass barriers. In order to comply with local fire safety codes, all aisles within the stands must also be clear. Non-compliance with this policy or refusal to comply immediately with requests from event officials will result in the violator being escorted **out of the rink**.

## **VOLUNTEER OPPORTUNITIES**

The success of the show will depend on the support of our volunteers, and opportunities abound! Each performance group will need at least one parent Group Coordinator and one Costume parent. We will also need assistance with prop construction, set-up and breakdown, lighting, ticket and program sales, publicity, ushers, backstage chaperones, costume construction, make-up, etc. The more helping hands we have, the better the show we can produce!

A volunteer form is included in this packet or you can contact the Show Chair and/or Director to express your area of interest and expertise. Remember that up to two hours of Spring Ice Show volunteer time can be applied toward your Atlanta FSC service hours, but we hope that you will help because it's fun to be part of such a great endeavor for our children!
