Atlanta Open Registration Now Open

2016
ATLANTA OPEN

The Atlanta Open will be held on June 9 - 11 at The Cooler. Please welcome our Chief Referee, **Rick Perez** of Mountain View, CA, our Chief Accountant, **Theresa Foley** of Philadelphia, PA, our Chief Announcer/Music, **John Richardson** of Atlanta, GA, and our distinguished panel of judges, technical specialists, and accountants.

Registration is now open through our website at atlantafsc.org. **The deadline is APRIL 30.** Please direct any questions to competitionchair@atlantafsc.org.

This year we will award the newly created Susan Johnson trophy to the skater who achieves the highest combined free skate and short program IJS score at the same level. Susan is celebrating her 60th year as a judge.

Exhibitions will be offered during Club Ice on **May 20** and **27** on a first-come, first-served basis. Please email Karen Crossen at jkcrossen@gmail.com by **May 13** to secure a spot.

As always, we need volunteers, so please be generous with your time and talent. **This event is the last opportunity in the membership year to fulfill your service hours requirement.**

Board of Directors Election Candidates Selected

SALUTING OUR 2016 GRADUATES

MADELEINE BROWN

High School Activities, Clubs, Honors

I skate six days of the week skating three hours a day for five of those days. I also workout with a personal trainer, Rashid Shakirov, three days of the week in addition to my own stretching and conditioning. Skating takes up the majority of my time.

Future Plans (college, including major, skating, other)

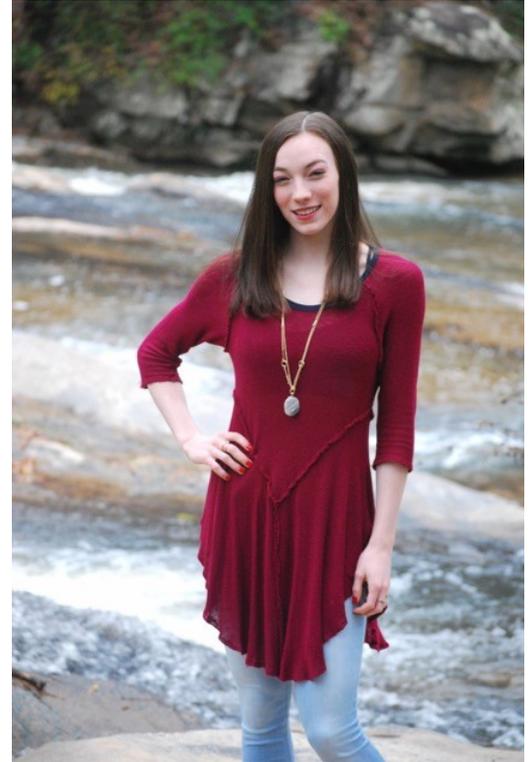

I am attending the University of North Georgia next year as a part-time student, so I can further pursue my skating. Right now, I am planning on majoring in biology with the hopes of becoming a physical therapist in the future.

Skating Career Highlights (competitions, testing, etc.)

My most memorable competition in skating was making it to the final rounds at the Middle Atlantic Championships as a Novice lady. I will be competing as a Junior lady this year.

Extracurricular Activities

I help Mr. Herbert on Saturdays with the Learn to Skate program, and I have volunteered at a physical therapy practice that specializes in helping special needs children.

DREW BRYANT

High School Activities, Clubs, Honors

I will be graduating from Pinecrest Academy High School as Valedictorian of my class. I am a National Merit Scholarship finalist as well as an AP Scholar with Distinction, and a member of the National Honor Society, Mu Alpha Theta math society, and the Spanish National Honor Society. One of my most memorable experiences has been serving as a Youth Core Leader for fellow teens as they embarked on their faith journey in the Confirmation process as well as co-founding a "Big Sister/Little Sister" Mentor & Tutoring Program at my school for incoming middle school students.

Future Plans (college, including major, skating, etc.)

I am deciding whether to attend Emory University, Boston College, or the University of Georgia in the fall. I plan to major in History with a minor in Spanish. My current interests lie in the field of criminal law, so upon college graduation I plan to attend law school.

Skating Career Highlights (competitions, Testing, etc.)

I am proud to have been a member of the Atlanta FSC since 2008! I have thoroughly enjoyed after-school skating lessons with my coach

Tami Mickle. I hope to pass a few more tests before I leave but I intend to continue to skate and test whenever I can. I am also excited to learn more about figure skating as I continue to go through the trial judge process with U.S. Figure Skating.

Extracurricular Activities

I focus any extra time I have on quality time with my friends and family, as well as time for some hobbies like playing the piano and painting. I also enjoy volunteering for my school mentoring program alongside my peer group as well as my involvement with my local Animal Humane Society and varied ministries at my Catholic church.

HELENA FISHER

High School Activities, Clubs, Honors

I am graduating from the Galloway School where I have attended for all of high school. I have been a member of the Dance Ensemble, Dance Club, and Photography Club. I am a Scholar Athlete in Dance, and I am the Student Head of Prom Committee this year.

Future Plans (college, including major, skating, other)

I will be attending Miami University in Oxford, Ohio studying psychology with the goal of becoming either a sports psychologist, therapist or guidance counselor. Skating will definitely be a part of my future as I hope to be a part of Miami University's Collegiate Skating Team to compete both freestyle and dance; however, I will also be looking into synchronized skating since their program is great at Miami. I can't imagine not skating anymore as it is such an important part of my life, but I am also very excited to be starting a new chapter at college!

Skating Career Highlights (competitions, testing, etc.)

I have passed Senior Moves, Gold Dance Test, and am working towards passing Senior Free Skate soon to become a Triple Gold Medalist. Another highlight has been the Solo Dance Series where I have qualified for the Solo Dance Final Championships for the last 4 years. In 2015, I advanced to the Championship Round for Gold Pattern Dance and finished in 5th. In 2011, my partner and I were the Teen Duet Bronze

medalists at National Showcase.

Extracurricular Activities

Besides photography and dance, one of my passions is participating in the U.S. Figure Skating Trial Judging Program. I am currently a Provisional Judge in Singles & Pairs and hope to get my Bronze Test appointment for Singles/Pairs and Dance prior to leaving for college. My goal is to be like John Millier and become a National and International level judge.

MACKENZIE KISELLA

High School Activities, Clubs, Honors

I have been a member of the Beta Club for junior and senior years at Etowah High School, and I participated in Etowah's Shop with an Eagle (holiday shopping with underprivileged children and the Talent Show.

Future Plans (college, including major, skating, other)

I plan to attend Kennesaw State University in the fall, but I am undecided on a major. I plan to test through Senior level and hope to continue competing.

Skating Career Highlights (competitions, testing, etc.)

I competed in final rounds at the 2011 South Atlantic Non-Qualifying Regional Championships and was a competitor at four Qualifying Regionals. I tested and tested and tested and finally passed (ha!) Junior Moves in the Field. I also participated in Atlanta FSC Spring Shows and S.T.A.R.S events and attended the U.S. Championships to cheer on Tim Dolensky and met some of my favorite skaters.

Extracurricular Activities

Skating of course! I am assisting with the Learn to Skate Program at Town Center. I took cake decorating classes and use what I learned in class to make cakes and cupcakes for friends and family get-togethers. I also love to spend what little free time I have with my family, and I love to go shopping with my friends.

April, 2016

OLIVIA LINN

High School Activities, Clubs, Honors

I will be graduating from Alpharetta High School. I am a member of the National English Honors Society and National French Honors Society. I participate in the Alpharetta Cancer Society club and I am a part of the National Academy for Future Physicians. I have been on Honor Roll for every semester and received the AP Scholar Award.

Future Plans (college, including major, skating, other)

I will be attending the University of Georgia and majoring in Genetics/Pre-Med with the hopes of becoming a Pediatrician. I plan skating for fun when I have free time and when I come back home to visit.

Skating Career Highlights (competitions, testing, etc.)

I have passed my Preliminary Moves in the Field and Pre-Preliminary Free Skate Tests. I hope to pass my upcoming Pre-Juvenile Moves in the Field Test this spring. One of my favorite skating memories was my showcase to "I'm Proud to Be an American" by Lee Greenwood.

Extracurricular Activities

In addition to skating, I earned four Varsity letters for being a student athletic trainer for my high school's Varsity football teams. I also have an internship at Children's Therapy Works helping children with disabilities.

Be who you are and say what you feel, because those who mind don't matter and those who matter don't mind.
~ Dr. Seuss

The future belongs to those who believe in the beauty of their dreams. ~ Eleanor Roosevelt

HALLIE MCGUINNESS

High School Activities, Clubs, Honors

I founded the West Forsyth Ice Club which is open to figure skaters, hockey players and anyone who is a fan of these sports or just enjoys skating for fun. At West Forsyth High School I am a member of the National Honors Society, Spanish National Honor Society, and the National Technical Honors Society

Future Plans (college, including major, skating, other)

I will attend the University of Georgia in the fall and continue ice skating at the rink just outside campus. I hope to help teach Basic Skills students.

Skating Career Highlights (competitions, testing, etc.)

I have competed in the Magnolia, Atlanta and Peach Opens up to the Pre-Juvenile level. I recently placed first in the 2016 Magnolia Open in my free skate event.

Extracurricular Activities

I keep busy with figure skating, babysitting and serving with Meals by Grace.

MORGAN SLIKER

High School Activities, Clubs, Honors

I participated in football and basketball cheerleading at Blessed Trinity Catholic High School and am a member of the National Honor Society and National English Honor Society. I received a Community Service award for more than 100 hours of service and achieved magna cum laude status every year of high school.

Future Plans (college, including major, skating, other)

I will attend Kennesaw State University this fall, majoring in exercise science. I plan to continue with graduate school for a doctorate in physical therapy. I also plan to continue skating regularly and to pass as many moves and free skate tests as possible.

Skating Career Highlights (competitions, testing, etc.)

I recently passed my Intermediate free skate test, which was a huge milestone.

Extracurricular Activities

I am very active in volunteering for my church, school, and various other service organizations. I also currently teach Basic Skills classes at The Cooler.

SPOTLIGHT SKATER

Julia Kornetzke

What are your favorite and least favorite elements?

My favorite element is the double loop because it is my biggest jump, and I love the feeling when I do it well. My least favorite element is the double toe loop because I find it difficult to get the timing right.

Favorite program/music?

My current program is my all-time favorite because the music is "La Vie en Rose," which reminds me of France.

Whom do you admire most?

I admire two of AFSC's very own, Fran and Jessica Gregory, who have been obedient to the call God put on their hearts to be His hands and feet as missionaries in Germany. They have walked by faith over the past 2 years as they have prepared for, and have just embarked upon a 3-year journey to minister to the physical and spiritual needs of the lost and hurting in Cologne, Germany.

Most memorable event of your skating career?

Landing my first double flip was certainly a memorable event for me.

Who is your favorite skater?

I enjoy watching Gracie Gold perform because her programs are always so inspiring and her jumps are amazing!

Tell us about your school and extracurricular activities.

I am a junior at Milton High School where my favorite subjects are French and Chemistry. I am co-president of the National French Honor Society and have been inducted into the National Honor Society and the Beta Club.

I was chosen to be part of a freshman mentor program at MHS where I mentor a group of freshman each week to help with their transition from middle school to high school. In addition, I tutor students in French, math and science.

What famous person would you most like to meet?

Bethany Hamilton, because she triumphed over the tragedy of losing her left arm in a shark attack to become a professional surfer as well as an inspirational public figure.

Who would you choose to play you in the movie of your life?

Sadie Robertson (of Duck Dynasty fame)

If I weren't a skater, I would have been ... a swimmer

Best advice ever received

"Charm is deceptive, and beauty is fleeting; but a woman who fears the LORD is to be praised." Proverbs 31:30

My family is like the television show ...

AFV (America's Funniest Videos) because my brother, Joshua, is always doing goofy things and making us laugh.

What are your future skating and educational goals?

I am working toward passing all of the MITF tests by the time I graduate high school.

I definitely will attend college, and it would be great if a skating rink happens to be nearby. Regarding a career, that's the million-dollar question. When I figure that out, I'll let you know.

My favorite things are

Snow days, smoothies, and beach vacations

Tell us something about yourself or your family that no one knows.

I've never had any pets because my mom doesn't like animals. (Other than that, she's really nice!)

If I were stranded on a desert island, I would have to have:

My phone, music, and a campfire.

Tell us about your family.

I have a younger brother, Joshua, who is 14 years old and plays soccer.

Favorite word: *Circuitous*

Least favorite word: *Disappointed*

Favorite food: *Watermelon*

Least favorite food: *Seafood*

What turns me off: *Egocentric behavior*

Favorite quote: "Those who trust in themselves are fools, but those who walk in wisdom are kept safe." Proverbs 28:26

Favorite Book: *I am Second*, by Doug Bender

Favorite Movie: "You Again"

TV shows: "Elementary" and "Fixer Upper"

Favorite color: *Fuchsia*

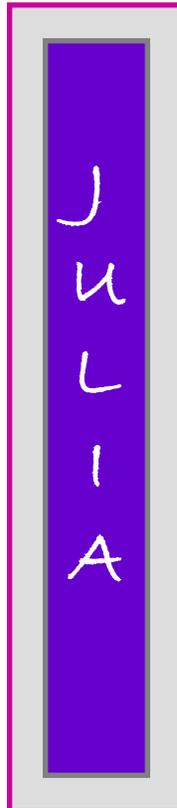

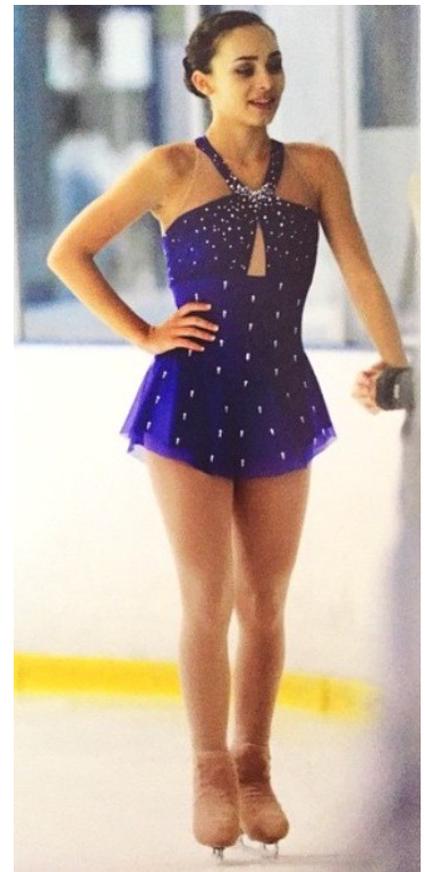

Sounds I love: *Ocean waves and heavy rain*

Sound I dislike: *Squeaky car brakes*

Pet Peeve: *When people walk too slowly or stop in the middle of the halls at school*

I would never want to be: *Any type of Surgeon*

Three words that best describe me: *Creative, soft-spoken, hardworking*
