## Atlanta FSC Skaters Shine at Recent Competitions

Congratulations and good luck to **Tim Dolensky** who has been named to the Skate Canada team, his first Grand Prix assignment. He also recently received a bye to the 2016 U.S. Championships following 4th place finishes at both the Finlandia Trophy in October and the U.S. International Classic in Salt Lake City in September, both part of the ISU Challenger Series.

Twenty-eight members competed at the 2016 South Atlantic Regional Championships: 11 qualifying and 17 non-qualifying. Congratulations to Junior **Alice Qiao** who placed 5th Overall, narrowly missing a spot at Sectionals by .50 points. Three of our NQ skaters advanced to Final Rounds: **Kaitlyn McGarigle** (Pre-Juvenile), **Anna Scott Wieler** (Preliminary) and **Grace Wolf** (Pre-Preliminary), and six qualified for Semi-Final Rounds: **Katia Kochengina**, **Maya Mekyten**, and **Chloe Rutter** (Preliminary), **Melanie Schael**, **Avery Wilkinson** (Pre-Preliminary), and **Audrey Latham** (No Test)! Results are listed on page 4 and photos on page 12.

Coach Brittney and Tim

Kudos also to 2015 National Solo Dance Series Final competitors **Helena Fisher** and **Madeline Freeman** (and coach **Graham Payne**) who qualified for championship rounds. Helena placed third in the Gold Pattern Dance qualifying round and finished 5th in the championship round. In the Senior Combined event, she placed 5th in the qualifying round and 9th in the championship round. Madeline Freeman captured 5th in her Preliminary Pattern Dance qualifying round and 8th in the championship round.

# SPOTLIGHT SKATER

## Emily Stark

### Most memorable event of your skating career?

One of the most memorable moments in my skating career was when I won first place in my first competition out of state. The most memorable time in my skating career was when I broke my leg during a competition in Nashville. I remember coming back to the rink with a neon green cast up to my hip and everyone signed it.

### What are your favorite and least favorite elements?

Favorite is the layback spin; least favorite is the double toe loop.

### Favorite program/music?

My favorite program is my intermediate long to the song "Children" by Escala.

### Whom do you admire most?

I admire my friends because they are all amazing people who are able to understand me.

### Tell us about your school and extra-curricular activities.

I am in 10<sup>th</sup> grade and go to The Lovett School. My favorite subject is English. My favorite class is Technical Theatre. I love working backstage during shows, mostly programming lights.

I volunteered at Northside Hospital this summer and have also been a volunteer at an animal shelter for 4 years.

I love working in the theater, taking pictures, and drawing.

### Best advice you have ever received.

The best advice I've ever received was from my parents. I often get caught in the craziness of school and stress out. The best advice to destress is to relax, calm down, and take deep breaths.

### My family is most like the television show...

"Modern Family" because I am a single child adopted from China with two amazing, (but slightly weird) parents.

### Tell us something about you or your family that no one knows.

My grandfather changed his last name from Silberstein to Stark during WWII.

### If I were stranded on a desert island, I would have to have:

A sketchbook, guitar, and my camera.

### Who would you choose to play you in the movie of your life?

Shay Mitchell

### What famous person would you most like to meet?

I would love to meet Jennifer Lawrence because she seems like a really funny person.

### What are your future skating and educational goals?

Currently, I am interested in design. I'm not sure where I will take it, maybe architecture? Luckily, I have three more years of high school to make up my mind. I plan to go to college and skate. I'm interested in schools on both coasts.

### If I weren't a skater, I would have been

A dancer.

### Who is your favorite skater?

My favorite skater is Ashley Wagner. She has grown so much as a skater, and I admire her confidence and the personality she puts into her programs.

### My three favorite things are

Lemonade, music, and the beach.

### If you could have one question answered, what would your question be?

Will I be happy?

**Favorite word:** *Lovely*

**Least favorite word:** *Swear*

**Favorite food:** *Linguini alle Vongole*

**Least favorite food:** *Mushrooms*

**Favorite quote:** "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

**What turns me off:** *Socks and sandals*

**Favorite Books:** *All the Light We Cannot See* by Anthony Doerr

**Favorite Movie:** "The Matrix"

**Favorite song:** "Reflection" by MistaWives

**Favorite TV Shows:** "Once Upon a Time"

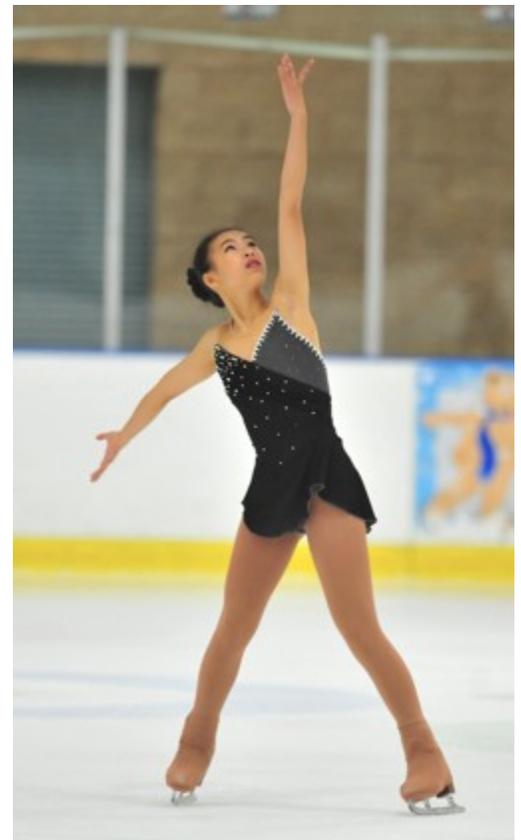

**Favorite color:** *Blue*

**Sound I love:** *Waves crashing on the beach*

**Sound I dislike:** *Velcro. It's the equivalent to nails on a chalkboard for me.*

**I would never want:** *A job that has to do with heights.*

**Three words that best describe me:** *Independent, strong-willed, weird.*

## IN MEMORIAM

Lovingly Written by David Bottoms

John Tate Bottoms, son of Brittney and David Bottoms, passed away shortly after birth on May 31. Although his life on earth was an incredible blessing to his family and to many others who had cherished him from the moment that he began to be fearfully and wonderfully made in his mother's womb. The journey with Baby John was not easy, but it was indescribably beautiful. Baby John beat all odds to be born alive, and his family is so thankful to have had the opportunity to hug him, sing to him, and hear his sweet voice before he peacefully went into the arms of Jesus.

Baby John is also survived by his brother, Drew Bottoms, grandparents, great grandparents, aunts and uncles.

We extend our deepest sympathy to the families and especially to Brittney.
