2015 South Atlantic Championships - A Class Act!

What an extraordinary display of volunteerism and teamwork! In spite of a grueling schedule for back-to-back competitions, our volunteers stepped up in innumerable ways to ensure that we would host the best South Atlantics ever - and did we! A heartfelt thank you to our Executive Committee: **Christi Fisher, Robert Osenbaugh, Jan Brown, and Jane Jud** and to all of our unsung heroes!

Our goal was to provide an opportunity for as many members as possible to experience a regional competition without the expense of travel and unexcused school absences. More than 100 members competed: 19 in qualifying and 89 in non-qualifying. Thirty-three non-qualifying skaters medaled in their free skate programs, and 18 advanced to final rounds. Two of our final round qualifiers, **Kaitlyn McGarigle** and **Melanie Schael**, also medaled in those events.

In the qualifying competition, Intermediate **Maria Son** landed 4th place in her qualifying round to advance to final rounds, and Junior **Alice Qiao** won bronze and a position at Eastern Sectionals. Nine members earned U.S. Figure Skating Special Achievement Awards for +2 or +3 grades of execution, and **Madeleine Brown** won her Intermediate Ladies qualifying group's highest points for spins.

We are so proud of all of our members for their sportsmanship, generosity, and dedication to this beautiful sport and club. Our members are simply the best, a descriptor echoed by officials, coaches, skaters and parents. Congratulations!

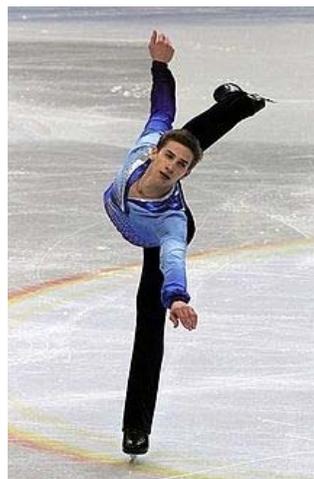

Alice Qiao, Tim Dolensky Advance to Eastern Sectionals

Junior Lady **Alice Qiao** earned a berth at the 2015 Eastern Sectional Championships by capturing bronze at the 2015 South Atlantic Regional Championships. Last year, she garnered 7th place honors in her first year as a Novice at the 2014 Easterns as well as the pewter medal at the 2014 South Atlantic Championships. She also finished in 5th place at the 2013 Easterns following a gold medal performance at the 2013 South Atlantics as an Intermediate.

Senior Men's competitor **Tim Dolensky** claimed 13th place at the 2014 U.S. Championships after a gold medal performance at the 2014 Eastern Sectionals. He is the 2012 U.S. Championships Junior Men's silver medalist.

The Eastern Sectional Championships will be held on November 18 - 22, hosted by the Triangle FSC in Wake Forest, NC. **Don't miss the exhibition and party on November 7 during Club Ice.**

Forty-six of our bedazzled members presented their free skate programs during exhibitions offered on September 5, 12, and 19 during Club Ice. Also performing were National Showcase medalist **Ariel Collins** and National Solo Dance qualifiers **Helena Fisher**, **Tiffany Hatzikoutelis**, and **Soucci Taylor**.

A send-off party on September 19 with cake and gifts of club logo embroidered scarves completed the festivities.

Thanks to our announcers **John Richardson** and **Heather Phillips**, music technicians **Tea Junnila** and **Brook Ziegler**, and Special Events Chair **Lori McGarigle**.

U.S. Figure Skating Special Achievement Awards

The U.S. Figure Skating Special Achievement Awards are pins given to athletes to encourage performance-related markers in their programs at regionals and sectionals. Awards are presented only for the free skate event segments in all levels at regionals, and in juvenile through novice pairs, singles and free dance at sectionals.

Awards are earned by the skater, couple or pair in each group that earns the most points for designated elements for their level and discipline and to all skaters who earn at least one +2 or +3 Grade of Execution for any element in their program.

SPOTLIGHT SKATER

Natalie Martin

What are your favorite and least favorite elements?

My favorite elements are jumps. I love to jump up in the air and feel like I am defying gravity. My least favorite element is probably footwork because there are a lot of different and confusing steps.

Competitive accomplishments

My competitive accomplishments include 3rd place in the free skate qualifying round of the 2013 South Atlantic NQ Regionals and 4th place in free skate at the 2014 South Atlantic NQ Regionals.

Favorite program

My favorite program is my current short program, "Viva La Vida" by Coldplay. I like it because it is upbeat and fun to practice.

Whom do you admire most?

My coach, Chrissy Imperiale, has taught me a lot about skating and about life through skating. I admire her because she never gives up on any student, no matter what the challenges may be. She works hard to find creative new ways to teach and to get the best out of her students. Any coach can coach a gifted skater; it takes an exceptional coach to find the gifts in all of her skaters... and being better than you ever thought you could be in this sport is better than winning any medal. Thanks, Coach Chrissy!

What is the most memorable event of your skating career?

My favorite memory of skating is when I participated in the Spring Show two years with a solo piece as part of group of three girls. As I skated my solo piece, I saw both my mom and my coach crying. Once I was done skating, my coach came over and gave me a hug and said that I was beautiful.

Who is your favorite skater?

Jason Brown is my favorite skater because he is very hard-working, graceful, kind, and consistent and never gives up.

Tell us about your school and extracurricular activities.

I attend Pope High School, 10th grade and my favorite subject is math. I am in Key Club and Foreign Language Club for Spanish. My honors include consistently being on either the all A or A&B Honor roll.

I work with children ages from 3 months to 10 years old at my church. I also participate with my church in volunteer community improvement activities, such as working with the homeless and helping the elderly. I am also a member of Key Club, which helps out around the community.

Tell us about your family.

My sister, McKenzie, 18, attends Georgia Southern University. My best friend Monica is my "skating sister" who practices with me almost every day, and we love our skating road trips!! I also have a fluffy orange cat named Pumpkin.

What famous person would you most like to meet?

Jennifer Lawrence, because she is a very good actress, she's pretty, and she seems like she would be cool to hang out with. She is not afraid to be herself no matter what people think.

What are your future skating and educational goals?

By the time I graduate, I want to test all of my Moves in the Field through Senior Level (I am currently working on Junior). By the end of this year, I want to make all of the jumps I am working on now consistent.

I will be going to college and would like to skate and maybe coach skating while I am in college. I am going to study to be a physical therapist.

My favorite things are

My ice skates, my phone, food

If I weren't a skater, I would have been

A volleyball player or gymnast.

Tell us something about yourself or your family that no one knows.

I am extremely dyslexic, but skating has helped me prove to myself that I can overcome it. Another interesting fact that people don't know is that I am 25% Native American. My dad is half and my grandmother is full Native American.

Who would you choose to play you in the movie of your life?

Jennifer Lawrence
