## From our Club President ...

Welcome back to our entire Atlanta FSC family as we begin our 2015-2016 skating season! The summer went quickly, but I do hope that you had a memorable one!

Once again, thank you for your support in having me continue to serve on the Board of Directors and, to my fellow Board members, for electing me President. This year we welcome onto the Board our newest members: Karen Crossen, Heather Phillips, Amy Moosbrugger, and PJ Whalen. We remain committed to the mission of the club; i.e., "to promote, encourage and cultivate ice skating and a spirit of fraternal feeling among skaters."

In looking at our amazing, vibrant club, let us remember always one of our founding fathers and four time past President, Rud Ellis. Mr. Ellis passed away on August 8<sup>th</sup>, 2015. He will be remembered, and, as John Richardson remarked, "we would not be here without Rud Ellis." We are grateful and send our condolences to his family and, especially, his daughter Nancy Ellis Riggs.

At our August Board Meeting four major events were scheduled for this season: the Magnolia Open, Atlanta Open, Spring Show and Ice Dance Weekend. Club Ice has begun with Coaches Graham and Eric continuing with their stroking class at the beginning of each Club Ice. Kathy and Tori remain in charge of our off-ice classes. Lori McGarigle, our Special Events Chair, is in the midst of planning events to offer our skaters, in addition to our Club Ice social events.

May I add a huge thank you to Christi Fisher, our Competitions Chair, the entire LOC, ALL our volunteers, judges, officials, coaches and the Cooler management? Each and every one helped insure that the 2015 South Atlantic was such a huge success. WOW! Congratulations for such a well-run and well-received event!

As a reminder, your input and suggestions are always welcome and very much appreciated.

Looking forward to a year of great skating and much fun. Let's all enjoy this exciting journey in this special, much loved sport of ours!

# SPOTLIGHT SKATER

## Nancy Ellis Riggs

### When did you begin skating , and what motivates you to continue?

I was born into a skating family; my father Rud Ellis was one of the founders of the Atlanta FSC, and my mother and older sister skated as well. I was probably not quite 5 when I learned. I started skating regularly again after the club's 40<sup>th</sup> reunion. It is the most fun form of exercise I know (at least next to snow skiing, but it's hard to do that in Atlanta!) I love the combination of athleticism and artistry.

### Competitive/testing accomplishments

I passed my Preliminary dance test at about age 12. I have also passed Adult Silver Free and Moves in the Field.

My best competitive results have been 5<sup>th</sup> place in bronze Free at Adult Nationals, a silver and a bronze medal in Showcase at Adult Nationals, and several gold medals at National Showcase.

### What is the most memorable event of your skating career?

Two stand out: My first trip to Adult Nationals in Chicago, when I qualified for the final round in free skate and won the silver medal in Showcase. The second is from our 2011 ice show. Jeremy Abbott's music wouldn't play. I was out on the ice with a teddy bear pretending to be asleep, so I improvised some comedy pairs moves with the bear to entertain the audience until the crew in the booth got it to work. It was really fun!

### Tell us about your education and career.

I got my BFA in Acting from the University of North Carolina at Greensboro. I became a puppeteer in 1990, touring the country with the Center for Puppetry Arts. Now I am the director of Piccadilly Puppets, and I also act onstage.

### Tell us about your family.

My father passed away August 8 at the age of 86. In addition to being President of the Atlanta FSC many times, he was a judge and referee. He headed up the LOC for Nationals here in 1980 and volunteered for skating events during the 1980 Olympics. My mother Daisy used to skate with him and put up with all of the "skating club women" that called him night and day! She lives near me in Buckhead. My big sister Marie skated on an adult synchro team in Anchorage, Alaska and now lives with her husband and two kids in Greenville, SC. I am still trying to get her back into the sport! My husband Dan is also creative and a great cook. We have a dog (a mutt) named Shillelagh.

### Who would you choose to play you in a movie of your life and why?

Holly Hunter. She's Southern, petite, tough but funny.

### Please let us know about where you have lived, travels, etc.

I have performed in theatres all over the Eastern half of the US, keeping Atlanta as a home base except when I lived in NYC for 14 months. I love to travel and have traveled to over a dozen countries, my favorite being Ireland. I have also been on mission trips to Honduras, Bolivia and Lesotho in southern Africa.

### Extracurricular activities, hobbies?

I'm very involved at my church, North Avenue Presbyterian, as a youth leader and singer in the Worship band.

### What three items are on your bucket list?

1. Land an Axel!
2. Ski in the Alps
3. Bring a puppet show to a refugee camp where children are escaping war and need some fun, positive entertainment

**Favorite food:** Pizza and chocolate (not usually together!)

**Least favorite food:** Spinach

**Favorite quote:** Isaiah 40:31: But they who wait for the LORD shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint.

**Favorite book:** The Lord of the Rings trilogy

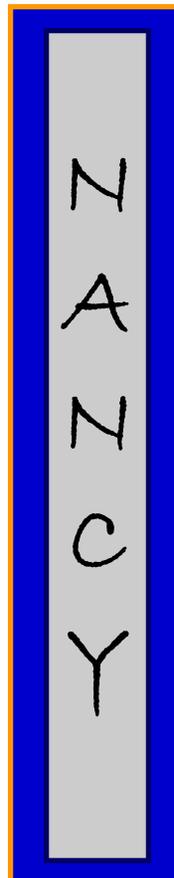

**Favorite TV show:** "Dr. Who"

**Favorite movies:** Casablanca and The Princess Bride

**Favorite song:** I sing all of the time and love too many songs to pick one!

**Favorite color:** Royal Blue

**Three words that best describe me:** Creative, friendly, strong

**RUD ELLIS**  
**IN MEMORIAM**

**Rutherford Lipscomb Ellis, Jr**, 86, died of a stroke on August 8 in Atlanta, GA. He was a graduate of Georgia Tech and worked as an electrical engineer.

When he was drafted into the Army, he was sent to Huntsville, AL to work with Von Braun on the missile program. He was a leading ham radio operator (W4LNG) since he was a teenager.

His passionate interest in railroads led to his participation in the National Railway Historical Society and local railroad groups.

His hobbies also included ice skating. He was a founding member of the Atlanta Figure Skating Club and a skating judge and referee for several years, which led to a volunteer job at the 1980 Winter Olympics.

Our deepest sympathy to his wife, Daisy Almon Ellis, his daughters Marie Murdaugh (George) and Nancy Riggs (Dan), grandchildren Sarah and Marshall Murdaugh, and his sister Margaret Ellis Langford.
